

Sicmol

TOILET SEATS

THE COMPANY

Sicmol S.A. is an industry with know-how and advanced technology in the manufacture of bathroom furniture and accessories. It is located in Aparecida de Goiânia-Goiás-Brazil and present on the market since 1988.

Its origin is the traditional business group Sebba, founded in 1958, well known for its performance in the trade of construction materials, furniture manufacturing and exporting of wood.

Nowadays, the industry has diversified line of products, ready to attend the consumer's varied demands of furnitures, accessories and tiles.
